

INDEX

To aid users the index includes a reference to the supplement where the latest version of a text can be found.

For example: Amikacin.....6.1-3396

means the monograph Amikacin can be found on page 3396 of Supplement 6.1.

Note that where no reference to a supplement is made, the text can be found in the principal volume.

Monographs deleted from the 6th Edition are not included in the index; a list of deleted texts is found in the Contents of this supplement, page xxxii.
